- You will have the option to **"Return then Delete"** or **"Delete Only."**
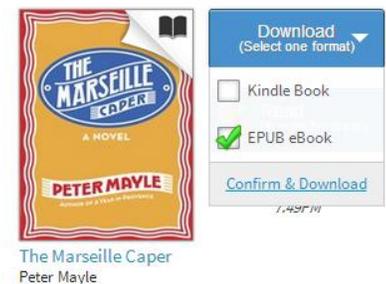

WMA eAudiobooks

On your iPad or iPhone you will only be able to browse and checkout MP3 eAudiobooks. However, if you have a Windows PC or Laptop you may also browse and checkout WMA eAudiobooks and transfer them to your iPad or iPhone via a USB cable. You will need to have iTunes and OverDrive Media Console software installed on your Windows machine.

1. On your Windows PC visit the library's OverDrive website at: digitalbooks.lcpl.lib.va.us
2. Check out a WMA eAudiobook with your library card
3. After you have checked out the title click on **Download**
4. Open the file with OverDrive Media Console and download all or some parts of the audiobook
5. Once the download is complete, connect your iPhone/iPad to the PC and click the **transfer** option in OverDrive
6. Once the title has finished loading it will be available in your Music/iTunes library under **Playlists**
